Subject: URGENT - Meeting with the Police and Crime Commissioner - 13 Oct

Importance: High

Dear Andrew Stephenson,

I am writing to ask if you can meet me to discuss the impending changes to the way the Police are funded and how you can support us in our lobbying Government on this issue. The funding review will significantly alter how funding is allocated in the area and we estimate could lead to an additional £20 to £74m being lost by our force on top of the 20% savings we have already made. This could have a devastating impact on our ability to maintain and deliver policing services to the people of Lancashire.

I am in London on Tuesday 13 October and Lindsay Hoyle has kindly said we can use his office for the meeting at 3pm. My team is liaising with your office on the details and I will be issuing a press release about the meeting and my concerns to our Lancashire and North West media.

I look forward to seeing you and thank you for taking the time to attend the discussion.

Kind Regards

Clive Grunshaw
