*Dear Ben*

Thank you for our recent meeting on police funding in Lancashire and your follow-up letter of 26 October. I am grateful for your views and comments on the proposed police funding model.

As promised, please find attached a technical note on the refined model which addresses the key questions raised during our meeting and in your letter. This has also been shared with Police and Crime Commissioners and Chief Constables.

I trust you will find this information useful and look forward to your continued engagement on the matter.

I am copying this letter to your fellow Lancashire MPs.

*Regards*  
*MP*
