

STATEMENT ON DECISION MAKING

WHO MAKES DECISIONS

Decisions will be taken by the Police and Crime Commissioner who will consult as appropriate the Director, the Chief Finance Officer, the Chief Constable and other officers or agencies.

Other officers may make decisions in accordance with the Joint Code of Corporate Governance approved by the Commissioner and Chief Constable and published on the website.

Unless an urgent decision is required, decisions will be taken at the Monthly Joint Management Board. These meetings are scheduled to take place in the first week of every month, unless there is no business to consider and will be cancelled.

The Commissioner will aim to be as open and transparent as possible when making decisions. However, on some occasions reports will contain confidential information which will remain private.

Within three working days of a meeting the following will be available on the Commissioner's website:

- (a) a copy of signed decision reports relating to items when the meeting was open to the public; and
- (b) a record of any interest declared by the Commissioner.
